"HI THERE,

Ok just stand still for a minute, smile now, and while I'm adjusting the focus, I would like to thank you for buying this zine and also I would like to thank all the people who wrote and expressed their thoughts about #1. You all really encouraged me into doing another issue.

ARE YOU STILL SMILING?

So here it is.....finally!  
I thought it would never come out,  
all the while I was trying to collect

enough photos to be featured for this issue.

We got a bit more creative this time and we also got some overseas photos as well.

GEE, HOW'S THE LIGHT IN HERE? OK, LETS SET IT AT F8.

PHOTODROME represents a sort of "Photo Journal" of the Toronto HC scene, as well as the HC scenes from various places around the globe.

As you can see by looking at these photos, HC is a universal language in the sense that everyone is expressing their thoughts freeley, whether we agree with them or not.

I hope while flipping through these pages, the feelings of the bands up on stage are reflected into your eyes.

Before I finish, a note to other photographers;

I've noticed a great deal of people taking photos at shows, (which is great) as you all know there are many great T.O. fanzines out, which many of the fanzine editors are always seeking photos.

Don't be reluctant to offer your photos to these people. As you will find they will be well appreciated.

OK SAY CHEESE.....CLICK!"

A BIG THANK TO: Terry for putting up with all my complaining, Ayube for the half-toning, Vittorio Piaggio (logo & photos), Theun K. (photos), The Still Thinking crew (Shawn, don't think I forgot about your herbal throat remedey mmmm -- good, Oh yeh Mike, I didn't mean to break your arm!), Stefano (photos), Stephen Sano (photos), Geoff Nicholstan (photos), Vadim (1/2 Off), Sarah Marcus, Greg Patten (photos), Vince, Grant (NW), Al Quint, Louanne Voskans, Mark McGrath, Ben (pics), Tony Kozlowiski, Liisa Morton, all the T.O. fanzines who used my photos, Morgan, Daragh, D.O.G. guys, Lisa, Lisa (& The Cult Jam) ha ha, you know who you are, all my friends who supported me, all the people who bought #1 and to anyone else who I may have forgot.

THE PHOTOGRAPHY CREW: Once again most of the photos where taken by me, but I would like to also mention Vittorio, Theun, Geoff, Bicio, Stefano, Greg, & Krisi for contributing their pics.

I WOULD LIKE TO ESPECIALLY THANK AGAIN, TERRY THEUN K. & VITTORIO PIAGGIO FOR ALL THEIR HELP. AND THATS ALL FOLKS.
